

Environmental Policy

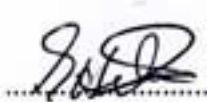

Rudolphs Limited are committed to ensuring our scope of work and services do not contaminate air, water and land.

We will

- Comply with all Statutory and local Authority requirements.
- Provide Chemical Storage to meet ERMA Regulations
- Use and dispose of chemicals and materials always in an environmentally conscious and safe manner
- Recycle material waste
- Ensure employees, sub-contractors and visitors comply with our policy
- Ensure the highest standards of industry housekeeping are maintained
